Electric  
Company.**The cleanest, brightest safest and really,  
in the long run, the cheapest and best light  
for use in the family residence, is the incan-  
descent electric light. Safe; nothing could  
be safer. A few days ago a prominent gen-  
tleman of Honolulu came rushing down to  
the office of the Electric Company and said:  
"Give me figures for wiring my house, and I  
want it done at once; no more lamps for me.  
Last night a lamp tipped over and it came  
so near setting fire to the house and burning  
my children and I take no more risks."  
This is the sentiment of quite a number in  
the past few weeks, who have ordered their  
houses fitted with the perfect light.  
Just think it over and make up your mind  
what you want the best and safest light; send  
for the Hawaiian Electric Company and tell  
them what you want.We have a complete stock of everything in  
this line and have just received a lot of the  
very latest designs in chandeliers**CARRIAGE TRIMMING.**

and irritable. Every cough congests the lin-  
ing membrane of your lungs. Cease tearing  
your throat and lungs in this way. Put the  
parts at rest and give them a chance to heal.  
You will need some help to do this; and you  
will find it in**Ayer's  
Cherry  
Pectoral**From the first dose the quiet and rest  
begin; the tickling in the throat ceases; the  
spasm weakens; the cough disappears. Do  
not wait for pneumonia and consumption but  
cut short your cold without delay.Ayer's Cherry Pectoral cures because it  
heals. It goes to the very seat of trouble,  
quiets the inflammation and makes a perma-  
nent cure. Begun in time, it is the one great  
preventive to all serious lung troubles.Beware of cheap imitations. See that the name  
Ayer's Cherry Pectoral is blown in the glass of  
each bottle. Put up in large and small bottles.**HOLLISTER DRUG CO.**

THIS WEEK.Staff Captain Merriweather Will Be  
Present—Something About the New  
Salvation Army Officers Now Here.Staff Captain Merriweather of the  
Salvation Army left this morning on  
the Kinau for Hilo to spend nine days  
officially visiting and looking after the  
posts on the Big Island.He also has another pleasant duty  
to perform; that is to be present at a  
"Hallelujah Wedding." The con-  
tracting parties are Captain Sharp-  
less and Lieutenant Viola Monroe,  
both Salvation Army officers. Cap-  
tain Sharpless, on account of ill  
health, has been on furlough for some  
time and has been employed as a luna  
on a coffee plantation seventeen miles  
from Hilo. Lieutenant Monroe was  
one of the officers who opened up the  
Salvation Army work in these islands.  
She returned on the City of Peking  
from a visit to her parents in Kansas.  
The wedding is announced for Thurs-  
day evening at the Salvation Army  
barracks in Hilo.Staff Captain Anthony Merri-  
weather, who, with Mrs. Merriweather,  
has just taken charge of the Army  
work in the Hawaiian Islands, is a  
native of England. He joined the  
army at the age of 17 in York, Eng-  
land, and has been an officer in the  
Army work for more than thirteen  
years; for more than twelve years in  
the United States. He opened up the  
work in Tampa, Florida; had charge  
of the work in Connecticut for about  
three years; has served in a number  
of States, and just prior to coming  
here was in charge of the men's train-  
ing garrison in Oakland.Mrs. Merriweather is a native of  
Lawrence, Mass., and she has been  
an officer in the army for about  
twelve years. They have been mar-  
ried about ten years and have two  
children. They enter upon the work  
here with much enthusiasm and with  
abundant experience behind them.**A NARROW ESCAPE.**Mrs. Dow Saved From What Seemed  
Imminent Death.Mrs. H. M. Dow had a narrow escape  
from what seemed imminent death  
about 1 o'clock yesterday forenoon.  
She was in town with her two small  
children in a carriage and stopped at  
Dr. Anderson's dental parlors on Hotel  
street. Returning to the rig she put  
her children inside and then took the  
lines and started to step in herself.  
At that juncture the horse bolted.  
Mrs. Dow was thrown down between  
the wheels. Thinking only of her lit-  
tle children, who were greatly alarm-  
ed and began to scream at the top of  
their voices, she clung desperately to  
the lines. The horse sped on toward  
Fort street, dragging the vehicle and  
the woman between the wheels. At  
last the animal was stopped. Mr. Cut-  
ler and several others came to the res-  
cue.**HEAVY ROBBERY.**A report came from Kau on Friday  
last to the effect that the residence of  
Police Captain Ekaha has been enter-  
ed and a box containing \$1,000, nearly  
all in gold, taken away. The family  
was away from home all of the night  
previous and returning the following  
morning found the money-box gone.  
A search revealed the box some dis-  
tance away but there is no clue to the  
persons who took the money. Two  
Chinamen who formerly worked for  
Captain Ekaha have been locked up  
on suspicion. The money belonged to  
the various organizations of which the  
captain was a member.—Hawaii  
Herald.**FOR SUGAR CULTURE.**There is a well authenticated rum-  
or, says the Hawaii Herald, that the  
proposed sugar plantation on the  
Volcano road is almost an assured  
fact. Many of the planters as far up  
as Mr. Horan have experimented with  
cane with the most satisfactory re-  
sults. The land in Olua is apparently  
well adapted to its cultivation, and  
some of the holders of the large tracts  
in the coffee belt are considering the  
advantage of utilizing the unplanted  
land for cane. It is argued that cane  
will yield profitable returns within  
three years and will in no way inter-  
fere with their coffee trees.**750—400****= 1150**
